

South Spring Preschool Ministry

A How-To Guide For Preschool Parents To Navigate
Our New COVID-19 Processes

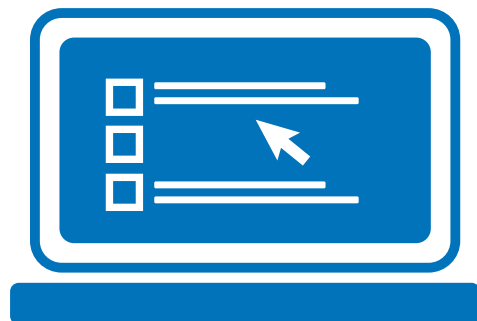

Registration

Register your child online for our preschool program when you sign-up for Sunday services at SouthSpring.org/live.

Our preschool program is for kids from **Birth - entering Kindergarten**.

Registration for preschool ministry closes at noon, the Friday before the Sunday you plan to attend or when classes are full.

We will only permit registered preschoolers to take part in our programming for safety reasons.

Preparation

We will have Snacks, Water, Diapers and Wipes for your preschoolers!

That said, no need to bring any of these items, we've got you covered:

Bags

Cups

Food

Diapers/Wipes

Toys

We know some little ones with allergies need to keep an Epipen handy. Our Hallway Coordinators will receive those at drop-off for your child.

If your preschooler has allergies or health concerns, include those on the registration form.

Check-In & Drop Off

Preschoolers and 1 parent from each family enter the preschool building.

Preschoolers and parent will be required to do a **temperature check & health screening**.

We will provide your **name tags, classroom locations** and **pickup receipts**.

You are free to go enjoy the morning worship service!

Drop off your kids at their classrooms, and **follow the signage** to the marked exit.

We will provide you with a **ziplock bag** for your child's things, and a **marker** to label the bag.

Safety Protocols

Here are our safety protocols we uphold while your little ones are in our care:

Frequent Hand-Washing & Sanitizing

Clean High-Contact Surfaces

Use Gloves with Food, Restroom Help, and Diapering

For safety, each classroom will only be used for one service hour. This allows us to make sure your child is in a clean environment at the beginning of each class period.

In Case of Sickness

If your preschooler becomes ill while in our care, here's our plan:

We will notify you via text of the situation for quick pickup

Your preschooler will be separated from their class and will go to our rest area in Room 202, accompanied by at least two volunteers.

You will be able to immediately pick them up from Room 202 and head home.

We will contact you later to check on your little one.

Pick Up

Please have the same parent who dropped off, pick up your preschoolers.

Present your pickup receipt at your child's classroom for pickup.

Simply head out the exit doors and you've completed the process!

We hope this gives you a clear picture of our plan to safely minister to your preschoolers!

If you have any questions, do not hesitate to contact us!
