

Why Students International Guatemala?

Students International (SI) has been serving in Guatemala since 1994, beginning in the city of Magdalena. This region's cool mountain climate and remote villages open the door for meaningful ministry in communities that are often isolated and underserved. It's an unforgettable way to connect with the culture, Christian community, and grow one's faith.

What You'll Experience:

- Serve in Real Ministries – Health care, education, sports, business, special needs, and more.
- Learn from Missionaries on the Ground – Guided by leaders immersed in the community.
- Grow in Perspective – Walk alongside Guatemalans, learning their stories and resilience.
- Encourage long-term Missionaries – Sharing God's goodness to sustain their faith and health.
